WORK EXPERIENCE

Jul.2015 - today

Head of Traffic Control Business Unit

Movalia S.r.l. - Via Maccani, 108/21 - 38121 Trento

- I'm responsible of the Traffic Management division which aims to provide the most advanced and innovative traffic platform for managers, mobility operators and end-users.

🏢 Business or sector Intelligent Transport System provider

Nov.2014 – Jun.2015
(10 months)

Head of Services

Swarco Mizar S.p.A. - Via Giberti, 7 - 37122 Verona

- Responsible for the new SERVICES division which has been created to manage projects in warranty, services contracts and SaaS (Software as a Services) projects.
- We implemented an internal integrated helpdesk platform (shared with PROJECTS and TECHNICAL MANAGEMENT division) to give the most complete support to the final customer (from the first line to the highest technical knowledge).
- Evaluation, together with the SALES division, new after-sales business opportunities.
- One of the main goals, besides the best support to the final customer (thanks to our skilled and devoted technicians and service managers), was also to achieve the highest level of cooperation with the other internal company divisions (PROJECTS, TECHNICAL MANAGEMENT and SALES).
